

Menna Allah Mohamed Abdelzaher

Software Engineering

Naser el_Noba|ASWAN • 01148872207 • mennamouhamed378@gmail.com

SUMMARY

Software Engineering student at Faculty of Computers and Information, Arab Academy for Science, Technology and Maritime Transport, South Valley Branch. Passionate about mobile application development and problem-solving. Experienced in team projects, with a focus on building efficient and user-friendly applications. Seeking opportunities to apply technical skills and grow in the software industry.

WORK EXPERIENCE

Software Engineering Intern – Agricultural Bank of Egypt **Aug 3, 2025 – Aug 28, 2025**

- Gained hands-on experience in banking operations and customer service.
- Learned about financial documentation, loan processes, and credit systems.
- Collaborated with employees to understand digital transformation in banking.

Software Developer (Team Project) – Time Management App **Oct 2024 – May 2025**

- Developed a mobile application using Flutter & SQLite to help students organize tasks and schedules.
- Designed and implemented user-friendly interfaces.
- Worked in a team of 6, applying Agile practices and version control (GitHub).

Backend Developer – E-commerce Website **Oct 2023 – May 2024**

- Built and integrated backend features using Java & MySQL.
- Implemented user authentication and product management.
- Enhanced system performance and ensured database security.

EDUCATION

Bachelor of Science in Software Engineering **Oct 2022 – Present**

Faculty of Computers and Information, Arab Academy for Science, Technology and Maritime Transport, South Valley Branch.

Current GPA:3.43

ADDITIONAL INFORMATION

- **Technical Skills:** Programming Languages: Java, Python, C++, Dart. Software Engineering: Agile Methodologies, Version Control, Requirements Analysis. Problem-Solving & Debugging
- **Languages:** English (Professional proficiency), Arabic (Native).
- **Certifications:** Introduction to Machine Learning – Coursera
, Database Management Systems – University Course
